**The Letters of Robert Schumann**-Robert Schumann 1971

**Schumann's Virtuosity**-Alexander Stefaniak 2016-09-19 Considered one of the greatest composers—and music critics—of the Romantic era, Robert Schumann (1818–1856) played an important role in shaping nineteenth-century German ideas about virtuosity. Forging his career in the decades that saw abundant public fascination with the feats and creations of virtuosos (Liszt, Paganini, and Chopin among others), Schumann engaged with instrumental virtuosity through not only his compositions and performances but also his music reviews and writings about his contemporaries. Ultimately, the discourse of virtuosity influenced the culture of Western "art music" well beyond the nineteenth century and into the present day. By examining previously unexplored archival sources, Alexander Stefaniak looks at the diverse approaches to virtuosity Schumann developed over the course of his career, revealing several distinct currents in nineteenth-century German virtuosity and the enduring flexibility of virtuosity discourse.

**On Music and Musicians**-Robert Schumann 1983-01-01 Reviews of specific compositions are accompanied by Schumann's articles and epigrams on all aspects of music.

**Clara Schumann**-Nancy Reich 2013-07-15 This absorbing and award-winning biography tells the story of the tragedies and triumphs of Clara Wieck Schumann (1819–1896), a musician of remarkable achievements. At once artist, composer, editor, teacher, wife, and mother of eight children, she was an important force in the musical world of her time. To show how Schumann surmounted the obstacles facing female artists in the nineteenth-
century, Nancy B. Reich has drawn on previously unexplored primary sources: unpublished diaries, letters, and family papers, as well as concert programs. Going beyond the familiar legends of the Schumann literature, she applies the tools of musicological scholarship and the insights of psychology to provide a new, full-scale portrait. The book is divided into two parts. In Part One, Reich follows Clara Schumann's life from her early years as a child prodigy through her marriage to Robert Schumann and into the forty years after his death, when she established and maintained an extraordinary European career while supporting and supervising a household and seven children. Part Two covers four major themes in Schumann's life: her relationship with Johannes Brahms and other friends and contemporaries; her creative work; her life on the concert stage; and her success as a teacher. Throughout, excerpts from diaries and letters in Reich's own translations clear up misconceptions about her life and achievements and her partnership with Robert Schumann. Highlighting aspects of Clara Schumann's personality and character that have been neglected by earlier biographers, this candid and eminently readable account adds appreciably to our understanding of a fascinating artist and woman. For this revised edition, Reich has added several photographs and updated the text to include recent discoveries. She has also prepared a Catalogue of Works that includes all of Clara Schumann's known published and unpublished compositions and works she edited, as well as descriptions of the autographs, the first editions, the modern editions, and recent literature on each piece. The Catalogue also notes Schumann's performances of her own music and provides pertinent quotations from letters, diaries, and contemporary reviews.

**Early Letters of Robert Schumann**-Robert Schumann 1970

**Clara**-Janice Galloway 2004-02-19 A fictional portrayal of the musical partnership of the Schumanns follows Clara's childhood experiences that inspired her career, her marriage to Robert, and her struggle to experience love and creativity in the face of parenthood and her husband's illness. Reader's Guide included. Reprint. 17,500 first printing.

**The Marriage Diaries of Robert & Clara Schumann**-Robert Schumann 1993 The Schumann Marriage diaries provide a vivid portrait of the unique artistic and personal union between two renowned musicians. For the first four years of their marriage, Robert and Clara Schumann kept a joint diary, recording their entries, at least initially, on alternate weeks. Begun on September 13, 1840, the day after their marriage, the diary opens with guidance from Robert: "This little book . . . has a very intimate meaning; it shall be a diary about everything that touches us mutually in our household and marriage." The diaries reflect the harmony as well as the discord in their marriage. Robert and Clara describe in intimate detail their honeymoon period, the births of their children, their busy social lives, travels throughout Europe, financial problems, separations, and reunions. The book also evokes the artistic milieu of nineteenth-century Germany. The Schumanns came in contact with many musicians, including their close friends Felix Mendelssohn and Franz Liszt, and recorded their insightful reactions to the artists and their music. The marriage diaries cover a fertile period in Robert Schumann's life, during which he wrote the Spring Symphony, the Piano Concerto, most of his chamber music, his first oratorio, "Paradise and the Peri," and numerous songs. They reflect the frenetic pace at which he worked, as well as his growing bouts of depression, his ambivalent response to Clara's decision to return to the concert stage after a prolonged hiatus, and her anxiety in the face of Robert's changing moods. This edition includes the couple's travel book, written during their stressful concert tour of Russia in 1844, which marked the end of the marriage diaries; Robert Schumann's descriptions of Russian customs; and the poems he wrote in Moscow - all of which provide a fascinating and uniquely detailed glimpse at what it was like to travel in Russia at the time.

**Music and Musicians**-Robert Schumann 1972

**Clara Schumann, Pianist and Composer**-Janet Nichols Lynch 2021-04-06 One spring day in 1824, four-year-old Clara Wieck sat in the nursery with her three younger brothers, Alwin, Gustav, and baby Victor. Alwin and Gustav babbled in baby-talk, Victor wailed, but Clara was perfectly silent.
Clara was always quiet-mute. She had not yet spoken a word. Nearly five years old and not a single word out of her! The child must be simple. Maybe she was deaf. How tragic for Music Master Wieck to have such a daughter! But Clara was not deaf. The piano music of her father’s students rang out. Clara heard the glorious strains of music wafting through the house all day long. From the moment four-year-old Clara Wieck Schumann heard music coming from her father’s piano store, she wanted to play the piano. She became a child prodigy and made her debut at nine and went on to have the longest concert career of any woman in the nineteenth century. At the age of eighteen, she was named Royal and Imperial Virtuosa—the highest musical honor in Austria. Clara wanted to do more than entertain. She wanted the audience to feel love, sorrow, joy, and beauty. She achieved this with a new style of playing the piano. She managed to have a sixty-year concert career, marry Robert Schumann and oversee his estate, plus raise their eight children. As a celebrated composer, she wrote a piano concerto, chamber music, songs, pieces for piano, and her most well-known work, the Piano Trio in G Minor.

**Longing**—J. D. Landis 2014-12-16 Longing tells the story of the greatest artistic couple in history, Robert Schumann and Clara Wieck. They met when she was eight years old and he was seventeen, drawn together first by music and then by their passion for each other. Drawing on their letters and remarkably frank journals, J. D. Landis writes of Clara and Robert’s enforced separations, their marriage, their artistic triumphs and failures, and finally their shared devotion to, and love for, a young genius who both came between them and brought them together for the last time. Longing was a New York Times Notable Book. It was also named by The Guardian (London) as the second finest novel about music (the first being Thomas Bernhard’s Loser, a judgment with which Mr. Landis is delighted to concur).

**Klavierquintett Es-Dur**—Robert Schumann 1985-06 A group of resourceful kids start "solution-seekers.com," a website where "cybervisitors" can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of "S" words that reveal a "spectacular story!" With creative characters, humorous dialogue and great music, The "S" Files is a children's Christmas musical your kids will love performing.

**Sonata in A Minor, Opus 105**—Robert Schumann 1996-02-01 A Violin solo with Piano Accompaniment composed by Robert Schumann.

**Robert Schumann**—John Worthen 2007 Publisher description

**Letters of Clara Schumann and Johannes Brahms, 1853-1896**—Clara Schumann 1973 These two volumes preserve the documentary record of a unique friendship of forty-three years. Apart from the contribution to the biographies of Mme. Schumann and Brahms, the letters contain a wealth of confidential and critical remarks on composers, performers, and musical events of the time.

**Robert Schumann**—John Daverio 1997 Schumann’s character as man and artist thus emerges in all its complexity. The book concludes with an analysis of the late works and a postlude on Schumann’s influence on successors from Brahms to Berg.

**The Letters of Robert Schumann**—Robert Schumann 2001-01-01

**The Life of Robert Schumann Told in His Letters**—Robert Schumann 1890

**Schumann**—Peter F. Ostwald 1985 After obtaining access to long-sought-after archival material about the final years of Robert Schumann, Lise Deschamps Ostwald, the author’s widow, is finally able to detail the composer's last years at the mental institution in Endenich, fulfilling her husband’s original intent "Schumann is a remarkable piece of work...Soberly
and objectively, it unearths information that no previous Schumann researcher—in English at least—has come near duplicating.”—Harold C. Schonberg, The New York Times Book Review

"Peter Ostwald, a San Francisco psychiatrist who is also a trained musician, has dug deeply...and applied his professional knowledge to the fashioning of a fascinating, perceptive psychobiography of the nineteenth-century Romantic master.”—Arthur Hepner, Boston Globe

"Ostwald...offers new insights into one about whom the musical world has never ceased wondering.”—Robert Commanday, San Francisco Chronicle

Music and Musicians—Robert Schumann 2001-01-01

Maria Szymanowska—Sławomir Dobrzański 2006 “The first English-language monograph about the life and music of virtuosa pianist-composer Maria Szymanowska, née Wołowska (1789-1831). Based on Dobrzański's doctoral dissertation, the book presents Szymanowska's biography based on Polish sources as well as thorough analyses of her whole oeuvre, especially her piano music (with a separate chapter dedicated to her influence on Fryderyk Chopin). The CD contains Dobrzański's studio recordings, including her nocturnes, études, fantasy, mazurkas, and other works for solo piano.”—Pub. desc.

The NPR Listener's Encyclopedia of Classical Music—Theodore Libbey 2006-01-01 A resource on classical music provides coverage of composers, works, musical terminology, and performers, along with recommended recordings and access to an interactive Web site that allows readers to listen to sample works, techniques, and performers discussed in the reference.

Cello Concerto Op. 129 a Min—Robert Schumann 1985-06 (Schott). Schumann's Cello Concerto in A minor was never played in his lifetime, receiving its premiere 4 years after his death. It has, however, become one of the most popular concertos for the instrument along with the works by Dvorak and Elgar.

Johannes Brahms—Jan Swafford 1999 A biography of the nineteenth-century German composer looks at his daily life, his associates—including his relationships with Robert Schumann, Clara Shumann, Richard Wagner, and Eduard Hanslick—and his achievements as a composer.
Clara Schumann: An Artist's Life Based on Material Found in Diaries and Letters –Berthold Litzmann 2013-04-16 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Pomona Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Piano Studies -Friedrich Wieck

Fanny Hensel -R. Larry Todd 2010 Fanny Hensel (1805-1847) was an extraordinary musician and astute observer of European culture. Previously she was known mainly as the granddaughter of philosopher Moses Mendelssohn and the sister of composer Felix Mendelssohn Bartholdy, yet Hensel is now recognized as the leading woman composer of the nineteenth century. She produced well over four hundred compositions and excelled in short, lyrical piano pieces and songs of epigrammatic intensity, but the expressive range of her art also accommodated challenging virtuoso piano and chamber works, orchestral music, and cantatas written in imitation of J.S. Bach. Her gender and position in society restricted her from opportunities afforded her brother, however, who himself quickly rose to an international career of the first rank. Hensel's own sphere of influence revolved around her Berlin residence, where she directed concerts that attracted such celebrities as Franz Liszt, Clara Schumann, Clara Novello, and her brother Felix. In this semi-public space, shared with exclusive audiences drawn from the elite of Berlin society, Hensel found her own voice as pianist, conductor and composer. For much of her life, she composed for her own pleasure, and her brother ranked her songs among the very best examples of the genre. Felix silently incorporated several of the songs into his own early publications, while a few other songs were published anonymously. Hensel began releasing her works under her own name in 1847, only to die of a stroke as the first reviews of her music began to appear. Tragically, the vast majority of her music was forgotten for a century and a half before its recent rediscovery. Renowned Mendelssohn scholar R. Larry Todd now offers a compelling, full account of Hensel's life and music, her extraordinary relationship with her brother, her position in one of Berlin's most eminent families, and her courageous struggle to define her own public voice as a composer [Publisher description].

Understanding Music -N. Alan Clark 2015-12-21 Music moves through time; it is not static. In order to appreciate music we must remember what sounds happened, and anticipate what sounds might come next. This book takes you on a journey of music from past to present, from the Middle Ages to the Baroque Period to the 20th century and beyond!

The Illustrated Lives of the Great Composers: Schumann -Tim Dowley 2011-05-16 This series of biographies presents the great composers against the background of their times. Each draws on personal letters and recollections, engravings, paintings and, when they exist, photographs, to present a complete picture of the composer's life.

Six Etudes in Canon Form, Op. 56 -Alfred Publishing Staff 2009-01-01 In 1845, Robert Schumann embarked on an intense course of contrapuntal studies. This led him to rent a pedalboard attachment for his piano, inspiring him to write pieces specifically for pedal piano, including these etudes. The great French composer Georges Bizet arranged the Six Etudes in Canon Form, Op.56 for one piano, four hands. These etudes are not simply technical finger exercises like Hanon or Czerny, but true works of art like the Chopin etudes. They make wonderful music while working the muscles of the hands and fingers.

Painting the Wild Frontier -Susanna Reich 2008 Generously illustrated with archival prints and photos of Catlin's own paintings, an accessible biography of one of America's best-known painters weaves a well-researched history with stories of Catlin's travels and adventures.
Scenes of Childhood-Robert Schumann 1949-02-01
